HOUGHTON AUTOMOTIVE RUSTPROOFING COMPANY

HOUGHTON AUTOMOTIVE RUSTPROOFING COMPANY
herewith guarantees against rust or corrosion on the exterior
body of any vehicle treated, when used under normal
conditions, due to penetration of rust or corrosion from inner
surfaces of the vehicle referred to in the Owner's certificate
which were treated within the following periods:

1. For a period of six years or 60,000 miles, whichever comes first, on a vehicle treated before it has been on the road for three months or has less than 3,000 actual miles, whichever occurs first.
2. For a period of three years or 45,000 miles, whichever comes first, on a vehicle treated before it has been on the road for two years or before it has 15,000 actual miles, whichever comes first.

During the applicable period and while the guarantee is current, on any appearance of rusting or corrosion covered herein the rusted portion will be repaired or replaced at the option of the Company free of charge. If the inspection reveals an absence of coating that portion of the vehicle will be recoated free of charge. This guarantee does not include the exhaust systems, or parts where the coating has been removed by fire, acts of vandalism, erosion, scraping, damage, surface rust or pitting. However, the guarantee will remain in effect if the owner will return the vehicle within ten (10) days of the damaging incident of the type referred to, to the depot, where it will be recoated at the owner's expense.

The foregoing is the responsibility of HOUGHTON AUTOMOTIVE RUSTPROOFING COMPANY and is lieu of all other guarantees, expressed, implied or statutory.
