Dear Mr. Shaw:

Thank you for your request for information pertaining to your 1978 Pontiac Firebird Trans Am. The base car comes with no radio, and no optional radio was fitted to this vehicle. Thus we cannot call this a radio delete car as a standard radio would need to be fitted to be able to delete it.

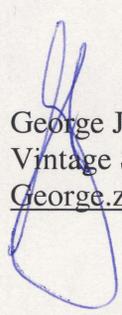

Please understand, due to the age of the material being provided, the quality may vary considerably, accuracy is based on production record information available to us. Some information may be missing, but they are as complete as we can make them.

We sincerely trust the enclosed material will be of value to you.

If you require further assistance, we can be reached toll free at 888-467-6853. Outside of Canada, we can be reached at (905) 644-4060 or (905) 644-3387 or by fax at (905) 644-5436, Monday to Friday, from 7:30 a.m. to 5:00 p.m., Eastern Standard Time.

We thank you for your interest.

Yours truly,
