STYCO STOP FOR KEYING SPECIAL INSTRUCTIONS-ZONE USE FLEET P.O.# DEALER SIGNATURE CUSTOMER

Hi John, Car is on it's way to you. Driver showed up yesterday afternoon as scheduled. Great equipment huh!

See attached pictures. Enjoy the car. Give it a safe home. I know you will. It hurt a lot more than I thought it ever would to see this car go. In all my years on the Quad State Pontiac Oakland Club, I can't think of a Trans Am this virgin, this pure of Pony or this plane nice except for 1 that I know of in the Chicago area and it isn't even a stock 400 nor even a 4 speed. They just don't come along like this very often. Is this the nicests Pony 79's in the USA? It could very well be now that I think about it. My Mom was sad to see it leave. My Sister and Mom sure had tears. She and Dad really liked this one and it has a special place in the families history. In our wildest imagination we never would have thought that it would be going to so far away and to Canada of all places.

I placed the documentation (3 ring binder) in the back seat on the floor.

Look after her. I would like to come and see her if I am ever passing by your neck of the woods. Let's keep in touch.

Rick
